1. GENERAL INFORMATION:

1-1 The Asian Junior Figure Skating Challenge (AJFSC) is an international figure skating competition series hosted by the Chinese Skating Association (CHN), Hong Kong Skating Union (HKG) and Figure and Speed Skating Association of Thailand (THA) under the authorization of the Asian Skating Union. The AJFSC open to Junior, Novice, Pre-Novice and Juvenile skaters who belong to ISU and ASU Members.

For the 2010/2011 season, the events are:

Hong Kong	May, 23 rd – 26 th	Festival Walk Glacier, Hong Kong
China	July, 23 rd – 25 th	Beijing, China
Thailand	October, 22 nd – 24 th	Imperial World Ice Skating, Samrong, Bangkok

1-2 All events and official practice will take place at the Imperial World Ice Skating, Samrong. The facility is an indoor 30m. x 60m., heated artificial ice surfaces.

1-3 The medals and diplomas will be awarded to the top 3 competitors in each category. The other competitors will be awarded the Certificate of Participation.

2. TECHNICAL DETAILS:

2-1 This event will be conducted in accordance with the Technical details as follows.
The ISU Judging system will be used for results.

- (a) The 2010 Asian Junior Figure Skating Challenge will be conducted in accordance with the ISU Constitution and General Regulations 2010, the ISU Special Regulations and Technical Rules Single & Pair Skating and Ice Dance 2010 as well as the pertinent ISU Communications.
- (b) The base value and the Grade of Execution (GOE) of all elements for Junior Elite Group are published by the pertinent ISU Communication. The base value and GOE for all elements which have not assigned in the relevant communications will be assigned by the AJFSC Organizing Committee. In addition to the technical score; the Judges will award points on a scale from 0 to 10 with increments of 0.25 for the five Program Components to grade the overall presentation of the performance. These Program Components are skating skills, transitions, performance/execution, choreography and interpretation.
- (c) The final score is calculated by adding the Total Elements Score and the Factored Program Component Scores after subtracting any program deduction.
- (d) The scores of the Short Program and Free Skating are added and the results constitute the final score of a competitor in an event.
- (e) The participant with the highest total final score wins. In case of a tie at any phase, the participant with the highest score for the last skated segment is placed first.
- (f) Tie-break Rules
 - i) Segment
If two or more competitors have the same rank, the Total Element Score will break the tie in the Short Program and the Program Component Score will break the tie in Free Skating. If these results are also equal, the competitors concerned will be considered tied.
 - ii) Event
If two or more competitors receive an equal total for all parts of the event combined (final result), the best placement shall be decided on the basis of the best placing for Free Skating. If this is equal, the competitors concerned are tied.
